

go
mom,

Love,

Donna
1970.

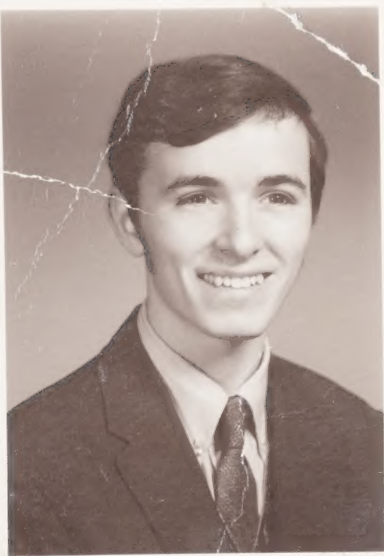

Donna,

Sweets, you may
borrow my sweat
bands any time you
want, they really do
the trick. You have
been a great friend of
mine and just like
a sister to me. We
should have fun in
our house next year.
I'll cook, you bring in
the money. Have a
great future. Love,
Jim

Donna.
It's been
fun going to
school with you.
I've really enjoyed
it. Jewell isn't really
that bad! I hope you
will go to Clatsop C.C.
next year. We could have
lots of fun. No matter where
you are, I'm sure you will have
fun and be a big success.
You're a real sweet girl and
don't change. The man
who marries you will
be the luckiest man
on earth. Good luck
always
Love
Bill

Don't know -

every time you look at
this picture, instead of thinking
how ugly I am, ^{think of} ~~but~~ what I
am doing. Think of all the
good times we had together.
Think about where I am so
you can get a date with me.
Really, I do enjoy your company
and after school is out we
should get together and go out
a bit. Whatever you do -
try not to forget who Vic
Jarrett is.
